▲ Fellow of Association of Research Society in Computer (FARSC)

1. The 'FARSC' title is accorded to a selected professional after the approval of the Editor-in-Chief / Editorial Board Members/Dean. The "FARSC" is a dignified ornament which is accorded to a person's name viz. Dr. John E. Hall, Ph.D., FARSC or William Walldroff, M.S., FARSC. FARSC accrediting is an honor. It authenticates your research activities. After becoming FARSC, you can add 'FARSC' title with your name as you use this recognition as additional suffix to your status. This will definitely enhance and add more value and repute to your name. You may use it on your professional Counseling Materials such as CV, Resume, Visiting Card and Name Plate etc. The following benefits can be availed by you only for next three years from the date of certification.

2. FARSC designated members are entitled to avail a 40% discount while publishing their research papers (of a single author) in Global Journals Inc., if the same is accepted by our Editorial Board and Peer Reviewers. If you are a main author or co-author of a group of authors, you will get discount of 10%.

3. When a professional is accorded a FARSC title, the Fellow is authorized to organize a symposium/seminar/conference on behalf of Global Journal Inc. The Fellow can also participate in conference /seminar/symposium organized by another institution as representative of Global Journal Inc.

In both the cases, it is mandatory for him to discuss with us and obtain our consent.

You may join as member of the Editorial Board of Global Journals Inc. after successful completion of 3 years as Fellow and as Peer Reviewer. In addition, it is also desirable that you should organize seminar / symposium/conference at least once.

We shall provide you intimation regarding launching of e-version of journal of your stream time to time. This may be utilized in your library for the enrichment of knowledge of your students as well as it can also be helpful for the concerned faculty members.

4. The FARSC may please go through standards of OARS. You can also play vital role if you have any suggestions so that proper amendment can take place to improve the same for the benefit of entire research community.

5. As FARSC you will be given a renowned, secure and free professional email address with 100 GB of space e.g. johnhall@globaljournals.org. This will include Webmail, Spam Assassin, Email Forwarders, Auto-Responders, Email Delivery Route tracing, etc.

6. The FARSC will be eligible for a free application of standardization of their researches. Standardization of research will be subject to acceptability within stipulated norms as the next step after publishing in a journal. A team of research professionals will render their services for you to take your research to its next level, which is worldwide open standardization.

The FARSC member can apply for approval, grading and certification of standards of their educational and Institutional Degrees to Open Association of Research, Society U.S.A.

Once you are designated as FARSC, you may send us a scanned copy of all of your credentials. OARS will verify, grade and certify them. This will be based on your academic records, quality of research papers published by you, and some more criteria.

✓ Fellows

7. The FARSC members can avail the benefits of free research podcasting in Global Research Radio with their research documents, After publishing the work, (including published elsewhere with proper permission worldwide), you can upload your research paper with your recorded voice or you can utilize services of our professional RJs to record your paper in their voice on request.

The FARSC member also entitled to get the benefits of free research podcasting of their research documents through video clips. We can also streamline your conference videos and display your slides/ online slides and online research video clips on request.

8. The FARSC is eligible to earn from sales proceeds of his/her researches/ reference/ review Books or literature, while publishing with Global Journals Inc. The FARSC can decide whether he/she would like to publish his/her research in a closed manner. In this case, whenever readers purchase that individual research paper for reading, maximum 60% of its profit earned as royalty by Global Journals Inc. will be credited to his/her bank account.

The entire entitled amount will be credited to his/her bank account which exceeds after a limit of minimum fixed balance. There is no minimum time limit for collection. The FARSC member can decide its price and we can help in making the right decision.

9. The FARSC member is eligible to join as a paid peer reviewer at Global Journals Inc. and can get remuneration of 15% of author fees, taken from the author of a respective paper. After reviewing 5 or more papers you can request to transfer the amount to your bank account or PayPal account
The Fellow Membership Fee [non refundable] is \$1000 USD payable first time. The Renewal Fee payable after completion of 3 years is \$600 USD for next three years.

It is mandatory to read all terms and conditions carefully.

Significance of the Institutional Fellow of OARS

Open Association of Research Society, U.S.A (OARS) accredits institutions as "Institutional Fellow of Open Association of Research Society" (IFOARS). The Institute will be entitled to following benefits:

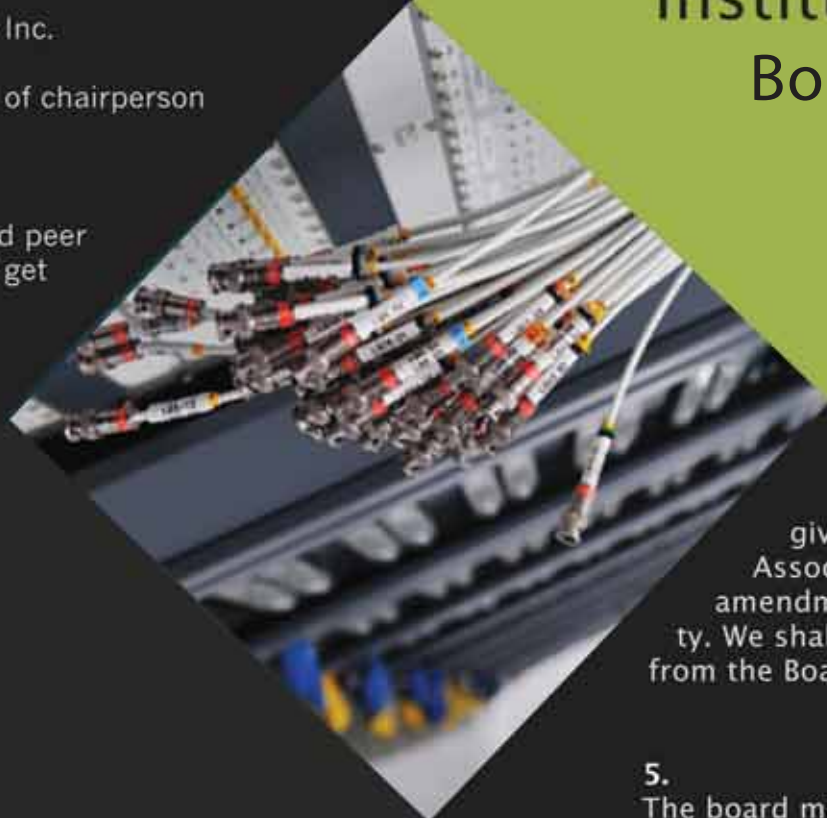

The IFOARS institution is entitled to form a Board comprised of one Chairperson and three to five board members preferably from different streams. The Board will be recognized as "Institutional Board of Open Association of Research Society"-(IBOARS).

1. The IBOARS can initially review research papers of their institute and recommend them to publish with respective journal of Global Journals Inc. The second review will be done by peer reviewer of Global Journals Inc. The author fees of such paper may be waived off upto 40%*. The Board is at liberty to appoint a peer reviewer with the approval of chairperson after consulting us.
2. The Global Journals Inc. at its discretion can also refer double blind peer reviewed paper at their end to the board for the verification and to get recommendation for final stage of acceptance of publication.
3. The IBOARS can organize symposium/seminar/-conference in their own country on behalf of Global Journals Inc. The terms and conditions can be discussed separately.

The board can also take up the additional allied activities for betterment after our consultation.

Life time Institutional Membership Fee payable only after you receive acceptance from us and you are convinced. The total amount payable is approximately \$10000 USD [non refundable] payable onetime and the amount can be decided mutually, which is depending mainly upon number of board members.

*if applicable

Institutional Board

[a] In future, if the board feels the necessity to change any board member, the same can be done with the consent of the chairperson along with anyone board member without our approval.

[b] In case, the chairperson needs to be replaced then consent of 2/3rd board members are required and they are also required to jointly pass the resolution copy of which should be sent to us. In such case, it will be compulsory to obtain our approval before replacement.

[c] In case of "Difference of Opinion [if any]" among the Board members, our decision will be final and binding to everyone
Disbursement of 40% Royalty earned through OARS

Researcher = 50%, Peer Reviewer = 37.50%, Institution = 12.50%

E.g. Out of 40%, the 20% benefit should be passed on to researcher, 15 % benefit towards remuneration should be given to a reviewer and remaining 5% is to be retained by the institution

4. The Board can also play vital role by exploring and giving valuable suggestions regarding the Standards of "Open Association of Research Society, U.S.A (OARS)" so that proper amendment can take place for the benefit of entire research community. We shall provide details of particular standard only on receipt of request from the Board.

5. The board members can also join us as Fellow with 40% discount on total fees applicable to individual Fellow. They will be entitled to avail all the benefits as declared.

6. We shall provide you intimation regarding launching of e-version of journal of your stream time to time. This may be utilized in your library for the enrichment of knowledge of your students as well as it can also be helpful for the concerned faculty members.
